

## We would like to introduce VitalAire:

- ▶ We have over 25 years experience serving oxygen patients in their home
- ▶ Our Health Care Team is committed to provide the products and services you and your Home Oxygen Program expect
- ▶ We will review the safe use and operation of your new equipment
- ▶ Where delivery is required, our Customer Service Team will set up regular scheduled delivery days to ensure your peace of mind
- ▶ VitalAire can assist you with travel arrangements throughout British Columbia, across Canada and beyond
- ▶ If you are currently on home oxygen, we will, in conjunction with your doctor and the Home Oxygen Program, match our equipment to your needs.

---

**We are excited to have been chosen as the major provider of home oxygen products and services in British Columbia. We have provided respiratory programs and care in BC for over 25 years and now look forward to serving you.**
